

Beyza Cevik

PROFILE

I am Beyza Cevik (20), a student at Hogeschool PXL. A passionate digital design student with a strong interest in designing and especially coding.

My interest in these fields has helped me develop a unique set of skills, including accuracy, precision and problem solving.

Although I am not a leader, I am a valuable member of any team and I am always willing to discuss and explore new ideas.

EDUCATION

HOGESCHOOL PXL

2021 - present

Graduate degree in Digital Design

Created a custom portfolio page with HTML, CSS, Bootstrap. Then expanded with JS.

We were outsourced by Salamander to create an app and website around a Job Matching concept with HTML, CSS, Bootstrap and JS. Designs created with XD.

2020 - 2021

Bachelor degree in Applied Computer Science

As a school project, we created a web browser game of the game Stratego using HTML, CSS, JS, Bootstrap and C#

CAMPUS BERINGEN, SINTE-LUTGART

2018-2020

Accounting Informatics

In high school, we created a simple website for a student company about health products using HTML, CSS.
